

IMPACT PRAYER – OCTOBER 2015

“..... being confident of this very thing, that He who has begun a good work in *US* will **complete** *it* until the day of Jesus Christ.”

Philippians 1: 6

KEY PRAYER POINTS

1. We thank God for the excitement already generated around the centenary baton making its way round the UK. Please pray specifically that God will stir up fires of revival and transformation within each assembly.
2. Let's pray for momentum building in ever increasing magnitude, around all the planned events up to and including Ablaze 2016.
3. January 2016 will see a major Centenary Launch Event in Penygroes. Please pray that the various means of communicating momentum building around centenary events, including use of artistic approaches will be effective and have maximum impact.
4. A lot of organisational effort is being made by dedicated teams of people working in various capacities to make the centenary a success. Please pray for these men and women that God will grant them divine enablement to be able to excel in all their endeavours towards the centenary. These include among others:
 - a. Main Centenary Committee and Supporting Teams
 - b. Arts, Communications and Marketing
 - c. Accommodation and Cheltenham Liaison Teams
 - d. Protocol Teams, especially helping our visitors from abroad
 - e. Ablaze 2016 Committee
 - f. National Leadership Team
5. Finally, please pray that people will be prompted to register in their numbers. Let's believe God to have a big gathering of over 2,000 people in one place, celebrating God's goodness and being inspired for our next century.

God richly bless you and remain blessed
